Although every care will be taken of your child while at the Centre, the staff can in no way be held responsible for an accident which may occur. In the event of an accident or illness requiring emergency medical treatment, every effort will be made to contact the parents before such treatment is sought. However, should this prove impossible, it will be necessary for authority to be given for the treatment to be undertaken. Parents are asked to complete and sign the following.

I hereby give my permission for the staff at Terrigal After School Care to seek medical attention for the above child in the event of an accident or emergency.

To help your child 's smooth transition to our centre please indicate any special interests your child may have.
